CAUSE

In July 2008, the offender completed inpatient drug treatment. Within two months of his discharge, he reverted to drug use and drug treatment was increased. Although there has been no indication of drug use since September, the offender is currently in non-compliance with the condition of his supervision in that he has failed to keep his drug treatment appointments. In lieu of a court hearing, the offender has agreed to have his supervision condition modified to include 90 days home confinement.
